Discussions:

Alternative location to store GCLA trailer needed. Prefer covered/secure location in the Karnack/Uncertain/Waskom area.

President Josh Maness introduced Jim Saunders who outlined his vision for a 70+ acre tract of land in Uncertain. Mr. Saunders advised he is willing to pass this land to a controlling entity with a stipulation of no development. His vision included hiking trails and the possibility of a community center. Josh Maness advised that this project may be outside the capabilities of the GCLA alone but

perhaps we could collaborate with another organization. Further discussions will take place once Mr. Saunders returns from an extended trip.
